Your Club Caribe Update: Games, Romance, and "Happy Hour" Fun!

CINDY STILWILL

Club Caribe has been in full swing for over two months now, and the resort staff is working overtime to come up with new and exciting things for you to do. By now you've all met CCG Kailua, our Events Manager, and the rest of the staff — CCGs Cocont, Khoona, Clypso, Kiti, Tikki, and others! They have been coordinating with the proprietors of the local island hangouts to bring you fun and unique events!

If you haven't been to Cassie's, Kelly's, or Spider's, be sure to drop in for Happy Hour one night! And on Saturday, September 2, don't forget about the Skool Daze Ball at Cassie's — this may be your last chance to cut loose before hitting the books again! If you're new to Club Caribe, we run tours every Friday, including one that starts in People Connection for those who would like an orientation to the island before registering at the resort.

And in our Quiz Show area and Arcade, we have tournaments, trivia quizzes, and the Dating Connection. Who knows, you may meet a Q-Sweetie at the Dating Connection and end up having our Minister marry you in the island chapel!

For our exercise-oriented guests, you can keep in shape by joining in Follow the Leader, the Region Rally, Curse Tag, and Beach Aerobics. We also have something for adventurers — look for Tahiba's Hut in the forest or explore the sea caves or sewers (beware of thieves). You might even find buried treasure at the hidden beaches beyond the caves. Rumor has it that several of our guests are starting some adventure games in the forests and caves — keep your eye on the Events Boards!

After you've spent the day exploring, or just laying out on our beautiful beaches, sit back and enjoy the entertainment! Come to "Open Mike" Nights at Costello's Comedy Club, Story Telling Night, or one of the other shows, comedy acts or theatre events that our guests hold in Costello's and the Club Caribe Theater.

There's something for everyone at Club Caribe — come on and get in on the fun! **(People Connection/ Play or Observe an Online Game/Start a Game/Club Caribe)**

Flip Over Your Favorite Stars in Q-Link's Fan Club Headquarters!

"SADIE"

Want the inside scoop about your favorite celebrities? Interested in chatting with other 'Linkers who share your interest of TV and movie personalities? Then, we have just the ticket to "star-gazing" that you've been looking for! People Connection is pleased to premiere Q-Link's own Fan Club Headquarters on September 5, your online link to celebrity fan clubs around the country (located in Just For Fun's QSociety).

The Headquarters contains plenty of information about nationally recognized fan clubs — including the names and addresses of club presidents, excerpts from club newsletters, information about how you can join the national clubs, message boards dedicated to bantering about your favorite stars, and much more.

Whether you're interested in meeting fellow Elvis cronies who wear their blue suede shoes every Tuesday night, or dedicated members of the Leonard Nimoy Fan Club, who have a "Beam Me Up" sticker for their car bumpers, the Fan Club Headquarters is the place to go!

New club information will be added to the Headquarters each month, so if there's a "celeb" you're wild about, let us know and we'll track down his or her fan club for you.

But that's not all. . . The Fan Club Headquarters is pleased to open its online doors with a splashy "Star Look Alike Contest." If your friends keep telling you that you're the spitting image of Marilyn Monroe, Michael Jackson, Princess Di, Elton John, or any other notable personality, send us a color or black and white photo! We'll select three 'Linkers who look most like their celebrity counterparts . . . and award each person five free hours on Q-Link.

The deadline for contest entries is September 30, 1989. Visit the "Star Look Alike Contest" area in the Fan Club Headquarters for complete details and information on entering! **(Just For Fun/QSociety/Fan Club Headquarters)**

SOUND & Music

COME TO Q-LINK IN MUSIC CONNECTION

MARSHALL RENS

For the first time, you can play music on your Commodore *while* you chat — Q-Link's Music Connection brings sound to People Connection!

That's right — Music Connection combines the best of People Connection's Auditorium and chat rooms with the music capabilities of your computer. You've always been able to download and enjoy music programs from CIN's Music Room software libraries, but now you simply use the Music Connection program to use your Commodore as a personal jukebox. Just ask Q-Link to play your favorite songs from its vast library of more than 6,000 music files, and you can listen to them *without* downloading!

Listen to classical music, heavy metal, the latest in pop and rock, Top 10 tunes, jazz and holiday songs,

Music Connection works best when used with a 1200-baud modem — if you don't have one already, order one for just $59.95 in The Mall's Q-Link Store!

Insert your Music Connection disk before selecting People Connection from the Q-Link menu.

and golden oldies — even advertising jingles! You'll also be able to hear sound effects and songs in the Auditorium at People Connection game shows, listen to theme songs as you enter special rooms like Bonnie's Bar, and hear other Q-Linkers' compositions when you attend Music Room and Music Studio computer conferences.

And keep an eye out for "Mr Music" and "Ms Music" — they have the special power to send songs to everyone in a chat room, so all will hear the songs chosen by Mr/Ms Music at the same time!

"Music Connection brings a new dimension to Q-Link we couldn't have imagined a year ago," according to Bill Pytlovany and Eric McCormick, who have been hard at work on Music Connection since January. "It lets all Q-Link members experience music

Check Out These Great Music Connection Features!

Enter Rooms and Auditorium: Gives you ability to move among Music/People Connection rooms or enter the Auditorium.

List, Locate, Identify: Allows you to find and identify members throughout People Connection.

Play Music and Sounds: Enter song or uploader file names to access songs that appeal to you. You may also repeat the last song you played, stop the current song, and disable/enable Music Connection hosts from sending you sound.

composed for the Commodore, and makes it accessible to people who may have never downloaded a music program before. People Connection is now an audio as well as a visual experience."

Listening to Music Tonight Is as Easy as Using Q-Link!

Music Connection requires no special computing skill or utility files for you to listen to our extensive library of music programs.

Just download Music Connection to a formatted disk from the main menus of Just For Fun or the Commodore Information Network. When you sign on to Q-Link, or wish to enter Music Connection from another Q-Link department, you must remove your Q-Link disk before you request People Connection.

After you take out your Q-Link disk (you won't be disconnected from Q-Link), insert your Music Connection disk, choose People Connection, and hit your F1 key. You'll see the colorful, graphically exciting Music Connection department screen come alive!

Music Connection gives People Connection a new look and host of fun QGraphics as well as sound capabilities. Music Connection menus "flash" before your eyes when you use your function keys the same way you would normally. Press the F7 key to see the menus, F1 to select, and F5 to "back out" of a menu — it couldn't be easier! And if you like what you hear, you can download the music files you like best from the Commodore Information Network's Software Libraries to keep and play offline anytime!

If you don't want to download Music Connection, you can order it from Q-Link for just $4.00. The kit includes your Music Connection disk and complete instructions that tell you how to use and enjoy Music Connection to the fullest. Order online in CIN and Just For Fun's Music Connection areas, or in the Mall's Q-Link Store.

Remember, if you don't have Music Connection, you won't hear *anything* when you enter rooms in People Connection where Music Connection is in use. Order or download Music Connection today — you'll find it's music to your ears!
